

IMAGE GUIDELINES

Please supply 10 images on CD to be submitted in 300dpi, no larger than 30 x 40 cm (portrait or landscape format). Images should be saved as JPEG files with the suffix '.jpg'. Each image should be labelled with your name and numbered from 1-10 which should correspond with the details below. One image should, if possible, be of your work displayed on an exhibition stand.

Poor quality images may jeopardise your chances of selection. Make sure that the images are representative of the nature/style of the work intended to be shown at Lustre.

Please give details below for each image in order.

ABOUT LUSTRE

Lustre is the midlands' premier selling opportunity for contemporary, innovative craft. Exhibiting here is your chance to reach the discerning crafts consumer and to tap into the lucrative pre-Christmas gift market.

Lustre provides an exceptionally high-quality retail experience. It attracted over 4,800 visitors in 2009. A comprehensive marketing strategy ensures a consistently high profile for the event amongst key identified markets and it is successful in attracting both regional and national press coverage.

Lustre prides itself on providing the highest standard of support for participating makers, ensuring that your work is shown at its best.

We invite you to apply to take part in Lustre 2010 and welcome applications from makers working in all forms and materials including metal, jewellery, ceramics, glass, wood and textiles.

The selection panel meets on **24 March 2010** and consists of Lakeside gallery staff, invited curators and crafts specialists. The selection is based on the following criteria:

- quality of conception and realisation
- work produced in a contemporary idiom
- the need to achieve a balance of media and pricing across the market.

EXHIBITION STANDS

Lustre exhibition stands designed by Fiona Davidson (height 71cms, table-top surface area 68.5 x 180 cms) are available to all exhibitors*. Exhibitors may bring display units to sit on top of the Lustre exhibition stand or replace it entirely using their own display systems, however, the total ground floor area occupied should not exceed the surface area given above.

*Lustre exhibition stands consist of a trestle style table with an off-white felt cover detailed with toggle fastenings at sides. Each stand is accompanied by a standard lamp with maker's name on the shade.

Exhibitions/Commissions/ Prizes

Brief statement (100 words max) describing your work and what you feel are its unique selling points. If selected this text will be used as the basis for the catalogue entry so please make it informative and lively and written in the third person e.g. 'her/his work' rather than 'my work'.

Questions you might consider are:

What makes your work unique?

Where does your inspiration come from?

What are the making processes involved?

If selected for Lustre 2010 I will / will not be able to attend the Really Useful Day on Thursday 9 September 2010 (delete as applicable)
