**THE CONTEMPORARY CRAFT
MARKET AT NOTTINGHAM
LAKESIDE ARTS
2 – 4 NOVEMBER 2018**

Lustre is the premier annual selling opportunity for contemporary, innovative craft in the midlands. Exhibiting here is your chance to reach the discerning crafts consumer and to tap into the lucrative pre-Christmas gift market.

Lustre provides an exceptionally high-quality retail experience. It attracted over 3,000 visitors in 2017. A comprehensive marketing strategy ensures a consistently high profile for the event amongst key identified markets, and it is successful in attracting both regional and national press coverage.

Lustre prides itself on providing the highest standard of support for participating makers, ensuring that your work is shown at its best.

We invite you to apply to take part in Lustre 2018 and welcome applications from makers working in all forms and materials including metal, jewellery, ceramics, glass, wood and textiles.

We welcome applications from makers who would like to share a table.

The selection panel meets in April 2018 and consists of Lakeside gallery staff, invited curators and crafts specialists. The selection is based on the following criteria:

- quality of conception and realisation
- work produced in a contemporary idiom
- the need to achieve a balance of media and pricing across the market.

EXHIBITION STANDS

Lustre exhibition stands (height 71cm, table-top surface area 68.5 x 180cm), designed by Fiona Davidson, are available to all exhibitors*. Exhibitors may bring display units to sit on top of the Lustre exhibition stand or replace it entirely using their own display systems, however, the total ground floor area occupied should not exceed the surface area given above.

* Lustre exhibition stands consist of a trestle style table with an off-white felt cover detailed with toggle fastenings at sides. Each stand is accompanied by a standard lamp with maker's name on the shade.

FEES

Standard Exhibitor: £350 + VAT

Concessionary rate for new makers (graduated in last two years): £250 + VAT

(PLEASE INDICATE WHICH IS APPLICABLE)

How did you hear about Lustre?

Brief statement (100 words max) describing your work and what you feel are its unique selling points. If you are selected for Lustre 2018 we reserve the right to edit the information for the catalogue.

IMAGE GUIDELINES

Please supply 10 images at 300dpi (portrait or landscape) via WeTransfer to lesley.beale@nottingham.ac.uk. Images should be saved as JPEG files with the suffix '.jpg'. Each image should be labelled with your name and numbered 1-10 which should correspond with the details on the form.

Poor quality images may jeopardise your chances of selection. Please make sure that the images are representative of the nature/style of the work intended to be shown at Lustre.

Please give details below for each image in order.
